Yes thanks, we are working on it, and coordinating with OGC since this is for Janet, as we noted for Laurel we want to sure we are all on the same page and no surprises at the briefing. We also would appreciate the table that goes along with this to review at the same time.

We need to get the WY RH briefing paper for Janet to Callie by early tomorrow for review. I know Laurel sent you a draft brief to review/revise. Just wanted to give you a heads up on timing.
